

# LT56 Laser Tool

## Included Accessory

HR220 Optional

LT56 Package

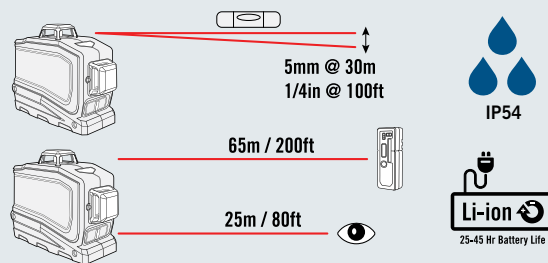

LT56-2 Package with HR220 Receiver

## Specifications

<b>Laser Power</b>	Less than 1mw
<b>Class/Wavelength</b>	Class 2 / 635nm
<b>Batteries</b>	Lithium-ion, 7200 mAh, 3.7 V
<b>Battery Life</b>	1 beam - 45 hours 2 beam - 35 hours 3 beam - 25 hours
<b>Charge Time</b>	12 hours (30 minute quick charge will provide 2 hours operation with 2 beams)
<b>Battery Warranty</b>	2 years
<b>Charger</b>	Input: 100-240V AC 190 mA Output: 5V DC 800mA
<b>Out of Level Indication</b>	Flashing beam - triple flash every 10 seconds
<b>Self Leveling Range</b>	4° ±1° all direction
<b>Dust and Water Resistance</b>	IP54
<b>Operating Temperature</b>	-10° to 45° (14 °F to 113 °F)
<b>Storage Temperature</b>	-20° to 60° (-4 °F to 140 °F)
<b>Size (L x W x H)</b>	152 x 116 x 84 mm (4.6 x 6.0 x 3.3 in)
<b>Weight</b>	0.67 kg (1.48 lb)

## Rugged Universal Laser Layout Tool

# LT56 Laser Tool

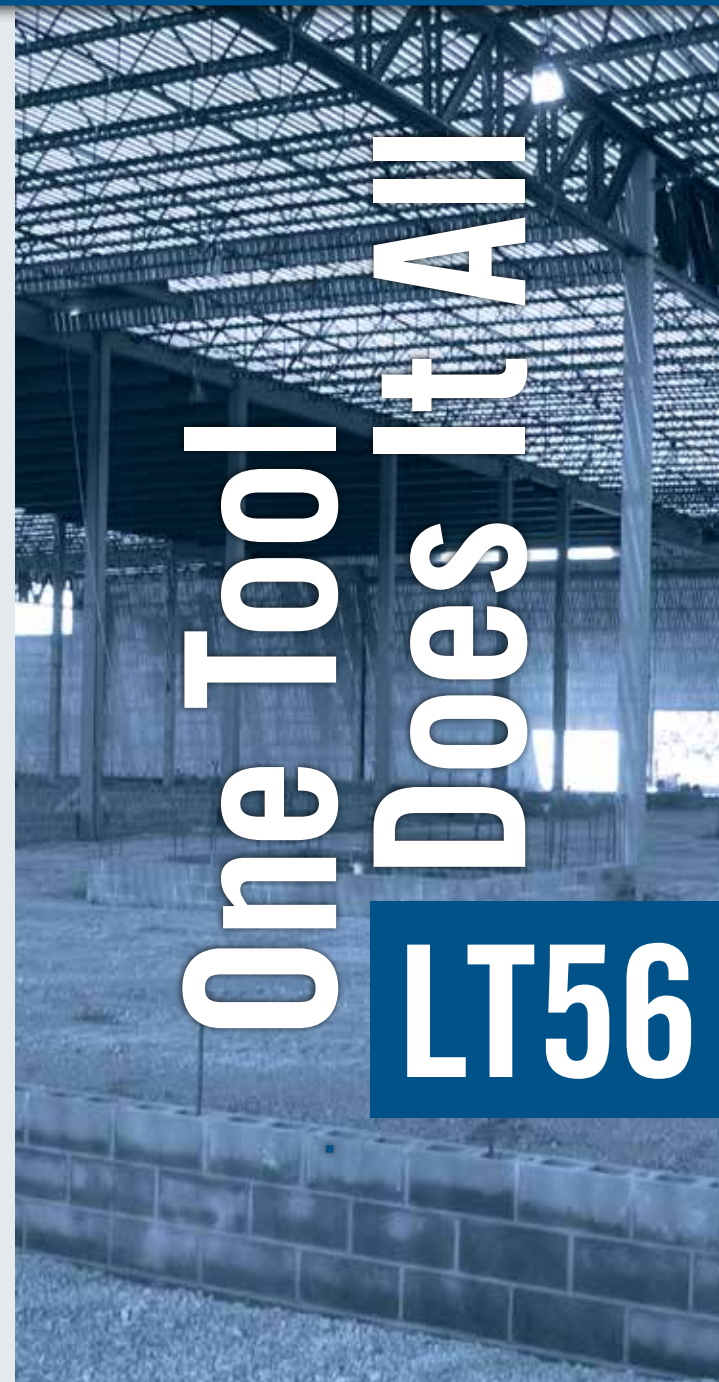

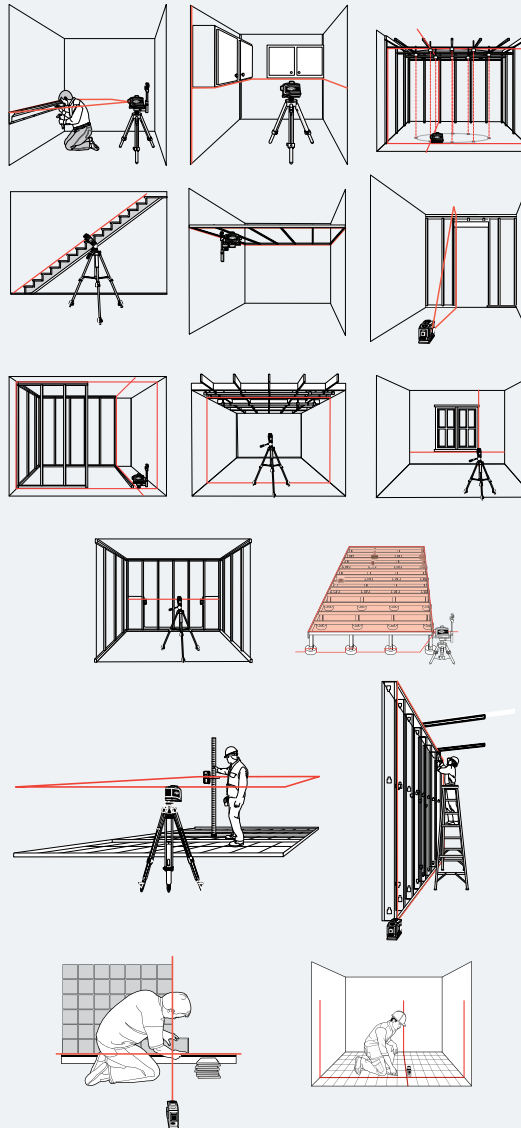

## Rugged Universal Laser Layout Tool

The LT56 provides three 360 degree planes of laser light. A horizontal plane and 2 vertical planes 90 degrees apart provide all the reference required for interior layout.

- Bright crisp laser lines - extends the working range and are easy to see
- Lithium-Ion batteries provide 25 hour operating time - huge savings on battery cost compared to alkaline models and are ecological friendly
- Rugged and durable - 3 foot (1m) drop specification means the LT56 can keep working even after minor accidents
- Versatile mounting accessory - includes ceiling track, magnetic and tripod mounts with rotation and fine vertical adjustment
- The HR220 Line Receiver can be added for short range exterior layout and elevation control

### Applications

One Tool Does It All  
**LT56**
